**SICK ALL THE TIME**

Until She Took Dr. Williams' Pink Pills. Has Been a Well Woman Ever Since.

"I suffered all the time, practically, from sickness of the stomach, dizziness or swimming in my head and pain in my back. Now I am entirely free from discomfort of that sort. I am not only able to keep on my feet, but to do my work as a teacher, and to enjoy the pleasures that come through the possession of good health."

That is the statement of Mrs. B. B. Ford, of Poshmatina, Miss., who continues as follows: "I am glad to tell others that my troubles were all renewed by Dr. Williams' Pink Pills, which are indeed a woman's friend. I heard of them first from an acquaintance in Arkansas who had found out their merits by actual use. What she said prompted me to try them in September of 1904, and within three weeks I experienced such relief that I knew that they must be adapted to the needs of my case. After using them for a short while longer I was thoroughly convinced of their helpfulness. I ceased to be an invalid, I became and have since remained a well woman, and the reason why is simply that I took Dr. Williams' Pink Pills."

The pills which Mrs. Ford so justly praises cure the chief ailments of women. They make functional action regular and painless, banish headaches, languor, nervousness, create appetite, promote digestion, put color in the complexion, build up strength and in a word enable women to reach and maintain full physical perfection.

Dr. Williams' Pink Pills actually make new blood and give strength and tone to every part of the body. They are sold by all druggists or sent, postpaid, on receipt of price, 50 cents a box, six boxes \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.
